# HOW IT ALL BEGAN

We started out as an antique shop way back in 1977, so it should be no surprise that we took our name from an antique stove. But a Potbelly stove was more than just a place to cook. Potbelly stoves were gathering places in homes and communities, warm little outposts where folks could share a meal and some conversation. While the stoves might be a thing of the past, you can still find the same warmth and good vibes at a Potbelly in your neighborhood.

So for us, Potbelly is more than just a name. It's a symbol of what we are. It's a place where folks gather to grab toasted sandwiches and freshly prepared salads, catch a local musician, enjoy a hand-dipped shake and maybe even make some new friends. We're not just in your neighborhood, we're your neighborhood sandwich shop.
